A fun family atmosphere where children learn,
grow and have fun.

Philosophy _____

Carol Matheys Center for Children & Families provides fully licensed centers dedicated to providing high quality, affordable child care and early childhood educational programs. We believe that all children are unique with individual development patterns. Each child brings their own style, personality, and background to our programs. All children are given the freedom to express themselves and are encouraged to be independent.

Staff _____

Our staff are chosen for their education, experience and enthusiasm in working with children. All staff are CPR and First Aid certified.

Hours _____

Monday-Friday 6 a.m.—6 p.m.

Infant & Toddler Program _____

The concepts of early brain stimulation and early attachment theory are the corner stones of the Carol Matheys infant and toddler program. This program offers a unique approach to care for children ages 6 weeks to 36 months. It includes age appropriate developmental activities with primary care givers. This gives your baby a nurturing environment and lots of fun. Our infant / toddler program is located at North Presbyterian Church in North St. Paul.

Preschool Programs _____

We offer full-day preschool and Half Day Preschool Programs for 3-5 year olds. We use a developmentally appropriate curriculum that promotes a pro-social environment. Children learn through creative play, music, crafts, science, computers and games. We offer nutritionally-balanced meals and snacks and participate in the USDA child nutrition program. Our programs offer full and part time schedules to accommodate a variety of work schedules.

School Age Program _____

We provide children grades Kindergarten thru 5th grade a fun and safe place to be before and after school. Children enjoy crafts, games, computers, outdoors, and being with their friends in a fun supervised environment. On non-school days and during the summer we offer full day programs. We serve Cowern, and Castle Elementary Schools.

Family Programs _____

The focus in our family programs is to provide support, learning, and encouragement to children and their parents. We offer a variety of programming throughout the year to support families. Some of these activities include Family Learn and Play, special-topic classes ,parenting groups, a single parent support group and family field trips. These are part of a larger program of family advocacy and good communication which we see as vital to successful programming for children.
