Philosophy

Carol Matheys Center for Children & Families provides fully-licensed centers dedicated to providing high-quality, affordable child care and early childhood educational programs. We believe that all children are unique with individual development patterns. Each child brings their own style, personality, and background to our programs. All children are given the freedom to express themselves and are encouraged to be independent.

Staff

Our staff are chosen for their education, experience and enthusiasm in working with children. All staff are CPR and First Aid certified.

Hours

Monday-Friday 6 a.m.—6 p.m.

Preschool Curriculum

Our goal is to help all children to be prepared for Kindergarten. Children are given the opportunity to learn through creative play, music, crafts, science, math, computers and literacy. We teach children the basic values of respect and responsibility and encourage independence. All curriculum is developed to be fun and age appropriate. It is designed to meet the Minnesota Department of Education Early Education Standards. Children must be toilet trained to attend preschool programs.

Full Day Preschool

Carol Matheys Full Day Preschool is designed for working parents. This program provides children with a high quality morning preschool program with wrap around child care. Full Day Preschool is offered 2 to 5 days per week year round. We are open 6 am to 6 pm to accommodate a variety of work schedules. We provide nutritionally balanced meals and snacks and participate in the USDA child nutrition program.

Half Day Preschool

Carol Matheys Half-day Preschool is for 3 and 4 year olds. Children enjoy a fun morning of activities that help them prepare for Kindergarten. Parents can choose a Tuesday, Thursday or Monday, Wednesday, Friday schedule from 9:30am to 12:30 pm. The program includes a morning snack and lunch.

Transitional Kindergarten

Transitional Kindergarten (TK) is a program for children that are 5 and not quite ready for full-day Kindergarten, or for children are turning 5 and have had a previous preschool experience. TK gives children an advanced preschool curriculum that will keep them challenged and prepared for school. This program is offered full and half day 2-5 day per week.

Family Programs

We offer a variety of programming through the year to support families.
