# A Super Summer Safari

## Philosophy

Carol Matheys Center for Children & Families provides fully-licensed centers dedicated to providing high-quality, affordable child care and early childhood educational programs. We believe that all children are unique with individual development patterns. Each child brings their own style, personality, and background to our programs. All children are given the freedom to express themselves and are encouraged to be independent. We are a 501 3 © non-profit organization. As a participant in the USDA child nutrition program this institution and the USDA are equal opportunity providers and employers.

## Staff

Our staff are chosen for their education, experience and enthusiasm in working with children. All staff are CPR and First Aid certified.

## Hours

Summer Day Camp for grades K-5  
Monday-Friday 6 am.-6 p.m.  
June 11-August 29

## Summer Theme

It's a jungle out there! We will spend our summer exploring the wild world around us. We will learn about plant, life, animals and natural resources around our neighborhood, school and world. Our summer safari will be complete with binoculars, wide-brim hats and bug nets. Racing jeeps (made from cardboard) and climbing ropes are just a couple of examples of fun activities we will have during our Super Safari Summer!

## Daily Activities

Mornings start with choice activities while we wait for everyone to arrive. Breakfast is available from 7-8 am. After the majority of the kids arrive we have our "morning meeting" where we discuss the plans for the day. After our meeting we split into groups and rotate through the different activity areas. These areas include: drama, music, art, science, math and much more. After a nutritious lunch we have a quiet "Body Break" time which includes a reading program. Our afternoons will be spent at area parks enjoying the nice summer weather.
